

website design & maintenance

at jsullivanphoto.com we also offer services related to website creation and maintenance — domain name registration, web host acquisition, website creation from template or from scratch, publishing and maintenance, especially suited for the small business informational sites and non-profit sites. the following rates are for general services offered. please contact us for further information or to discuss specific needs.

basic — \$550
template customized for your needs and ready for your maintenance with advice for search engine optimization; domain name registration/maintenance and web host acquisition/maintenance performed by you; up to 5 pages.

basic plus — \$750
same as basic, plus package includes the incorporation of company logo, colors and branding; up to 15 pages.

custom — \$1,500
custom web design incorporating company logo, colors and branding, with maintenance contract or maintenance by the hour available; assistance with domain name registration, web host acquisition, and search engine optimization as requested; up to 8 pages.

custom plus — \$2,500
same as custom, plus package includes product/site photography by jsullivanphoto.com as needed; up to 15 pages.

annual maintenance — \$ varies
cost plus 10%; setup and maintain domain name registration and web hosting account regarding renewals and contact information. generally, annual domain name cost is \$35.00, however, cost varies for web hosting according to web host company and package purchased.

monthly maintenance — \$30
update site with routine and requested changes; may include the addition of similar pages, but does not include a redesign of pages or of the website. requires an annual commitment of \$30/month or \$300 annually, paid in full, in advance.

maintenance by the hour — \$15
update site with requested changes, as needed; does include the addition of similar pages or a redesign of pages/site. invoiced and payable when services are rendered.

professional photography

at jlsullivanphotography we offer photographic services for relaxed family portraiture in natural settings, product photography for print advertising and website display, and architectural detail photography for commercial and personal portfolios. the standard fee includes travel within fairfield, litchfield, and new haven county, set-up, photo shoot, lab work and images as specified below. please contact us regarding any other photographic needs.

fee schedule

1st hour of photography	\$120.00
each additional hour	\$80.00
full day	\$500.00

images provided

commercial use — cd/dvd of high and low-resolution images with rights for use in print advertising, websites and portfolios.

personal use — set of 4x6 proofs from which images may be chosen for custom printing. please inquire regarding our photo shoot packages for custom printed images and images on cd/dvd.

custom photographic printing

at jlsullivanphotography we offer custom printing of our images from our various collections or from your commercial or personal photo shoot, and of your personal images. we request that you own the rights to the printing of those images which you bring to us. you may email or provide us with a cd/dvd of high-resolution images, ideally 300 pixels per inch or greater, or at least images of large dimensions.

we print our images on a large-format photographic printer using dyes and high-quality photo paper which when properly displayed, will last for generations. our standard print is on satin photo paper. please request a glossy paper if you prefer.

please contact us regarding custom sizes not listed here and other requests. we are able to print images up to a maximum paper size of 24 x 64".

we also provide custom matting and framing. please inquire for pricing regarding your specific matting and framing needs.

visit www.art.com and www.jlsullivanphoto.com to view available images. or contact us if you are interested in our "HIS WORD" collection of high-quality color posters with complimentary Bible verses.
